BARBER TO HAIRDRESSER

This course is aimed at delegates who are already proficient in Barbering and wish to further their skills and gain female cutting techniques. You will learn the fundamental knowledge and understanding of the basic techniques used in women's cutting and how these differ for those used in Barbering. This will give you the confidence to master all of the basic cut shapes and give you a solid grounding ready to move on to a creative level in both Hairdressing & Barbering.

We will cover:

- Fundamental cutting angles
- Directional control of hair
- Hair growth patterns
- Sectioning
- Graduation
- Layering
- Texturising
- Blow drying
- Health & Safety
- Product knowledge.
